

Explorations Photo Waiver

At Explorations we like to capture the events of the day to share with you. We take photos as a part of our instructional program as well as a way in sharing these activities with the parents. We need your permission to photograph your child(ren) for use of our parent newsletters, brochures, ProCare updates, the company's website and Facebook. We will never use names, addresses or any other personal information in any of these publications.

Please check the appropriate box indicating permission or refusal to use your child's/children's images. Please note, this refusal form does NOT refer to photos of your child(ren) used in school displays (bulletin boards, classroom projects, etc.).

We require one waiver signed for each family. This waiver will be used for all children enrolled unless otherwise stated by the parent.
